

Self-Care Assessment

The following worksheet for assessing self-care is not exhaustive, merely suggestive. Feel free to add areas of self-care that are relevant for you and rate yourself on how often and how well you are taking care of yourself these days. When you are finished, look for patterns in your responses. Are you more active in some areas of self-care? Do you tend to ignore others? Are there items on the list that hadn't even occurred to you? Listen to your internal responses and dialogue about self-care, and take note of anything you would like to prioritize moving forward.

Rate the following areas according to how well you think you are doing...

3 = I do this well (e.g., frequently)

2 = I do this OK (e.g., occasionally)

1 = I barely or rarely do this

0 = I never do this

? = This never occurred to me
